

Condolence.

Dear Mrs. Trine Isaksen and family,

It is with deep respect and great sorrows that I, on behalf of all my Taekwon-do students in Greenland, convey our deepest condolences to you and your family on the passing of your beloved husband Master Christian Isaksen. Master Christian was one of my early students in Greenland. I started teaching him when he was a student. He was one of the best Greenland could produce. Master Christian and I had a very close relationship as teacher and student and we had traveled around the world together many times. He was one of the first Greenlanders to win in the Taekwon-do world championships with many gold, silver and bronze medals throughout in the 1980s, 1990s, 2000s and 2010s. Master Christian had a wonderful friendly and kind and jovial personality. He was loved and liked by all wherever he was. Greenland is very proud of him. Master Christian Isaksen is a Taekwon-do hero and a national hero who has earned good name for his country Greenland. I and all Taekwon-do members are very proud of him. Master Christian Isaksen will be greatly missed by all of us.

We hope you and your children will overcome your grief soon and be back to your normal lives again and always having Master Christian in your heart and your mind. May he rest in eternal peace with our Lord Jesus Christ in Heaven.

Thank you.

With love and respect,

Prof. Dato Dr. Grand Master Leong Wai Meng
