Dearest Trine, your children and family

I would like to express my condolences and sympathy to you and your children about the unfortunate happening and death of Master Christian Isaksen.

I knew Master Christian Isaksen personally in many years. I met Master Christian Isaksen first time in 1984 in Sisimiut during National Championship and travelled with Master Christian Isaksen many times as a teammate in National Team, and thereafter as President of GTF.

I met Master Christian Isaksen last time in 2019 under 40 years anniversary of Greenland Taekwon-do Federation.

I have last couple days reflected many happy memories of Master Christian Isaksen. Master Christian Isaksen was one of the most respected athlete and always been an inspiration for his honesty, kindness and willing to develop Taekwon-do equally for his surroundings with Taekwon-do spirit.

He was hard working and spent many days and hours to help and trained his children and nearest family so they can participate in several events.

Master Christian Isaksen has many years participated national championships and won many medals. He was also participated international level events in Europe and World as a veteran competitor. With great understanding of Taekwon-do spirit, he shows through purposefulness and stubbornness can achieve great things. Master Christian Isaksen was one of the best and endurance students of Grandmaster Leong Wai Meng.

On behalf of many athletes and Greenlandic Taekwon-do Federation, I will give you my deepest sympathies go out to you and your family. May God give you the peace that you seek.

May memory of Master Christian Isaksen be honour.

Taekwon,

Master Nuka Kleemann, GL-H-8-861
